SCHOLARSHIPS AND FINANCIAL ASSISTANCE

As with any investment, you'll want to carefully manage your educational expenses. Our Student Administrative Services team can help you assemble a financial aid offer that may include grants, scholarships, loans, and debt management assistance.

To determine if you are eligible for assistance, file the Free Application for Federal Student Aid at www.studentaid.gov several months before you plan to enroll. If your program begins with the summer term or later, you will need to file the 2023-24 FAFSA. Most grant and fixed-interest loan options are available only to students enrolled at least half time (six credit hours). **The Mount's Title IV code is 003033.**

LOAN AND PAYMENT OPTIONS

Federal Direct Unsubsidized Loan

Long-term loan with fixed interest for students, regardless of need, enrolled at least half time. Graduate students are permitted to borrow up to \$20,500 each year and are responsible for interest that accrues.

Federal Grad PLUS Loan

A fixed-interest loan for graduate students enrolled at least half time. You must repay the amount borrowed with interest.

Tuition Deferment Program

A program for those eligible to receive employer tuition reimbursement. You must pay one-third of the tuition and fees plus a \$15 administrative fee by the course confirmation date; the remainder of tuition is due 45 days after the last day of the semester.

Payment Plan

Nelnet Campus Commerce Interest-Free Monthly Payment Plan offers

a monthly payment plan option that allows students to budget their education expenses over 3-6 manageable monthly payments per semester. There is a nominal enrollment fee to participate in the program. Visit mycollegepaymentplan.com/msju/ or call 800-609-8056 for more information.

Nurse Faculty Loan Program (NFLP)

The Nurse Faculty Loan Program (NFLP) is intended to increase the number of qualified nursing faculty by providing loans to part-time and full-time students enrolled in the Educator Track of the Master of Science in Nursing Program or in the Doctor of Nursing Practice Program. After graduation, 85 percent of the total NFLP loan is forgiven over a consecutive four-year period while loan recipients serve as full-time nursing faculty or part-time faculty in combination with another part-time faculty position or part-time clinical educator/preceptor position at a school of nursing (i.e., baccalaureate or higher degree, associate degree, or diploma schools of nursing). Visit www.msj.edu for the application and information.

Stafford Loan Forgiveness Program for Teachers

Individuals who intend to teach in schools or educational service agencies for five consecutive academic years serving students from lower socioeconomic backgrounds and who meet other requirements may receive up to \$17,500 in loan forgiveness. Please visit www.studentaid.gov to learn more about the requirements.

Public Service Loan Forgiveness (PSLF) Program

To encourage full-time employment with public service employers, individuals may receive forgiveness, under specific repayment plans, on the remaining balance of eligible federal student loans after 120 payments are made. Additional information can be obtained at www.studentaid.gov.

SCHOLARSHIPS AND GRANTS

Catherine Relihan Scholarship

Awarded to one MAGELIN student in each cohort. The \$4,000 scholarship is distributed over the four semesters of the program.

Catholic Educator Grant

The Mount is pleased to offer a limited number of Catholic Education Grants to teachers in Catholic schools. These grants will reduce the cost of tuition to \$350 per credit hour for an academic year. Eligibility to apply for the continuation of the grant beyond the initial year is based on maintaining at least a 3.0 GPA, continued employment at a Catholic school, and the University's decision to continue this grant at the specified amount.

TEACH Grant

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program offers assistance to students who intend to teach in a high-need field and in a school that serves students from lower socioeconomic backgrounds. A minimum GPA of 3.25 is required. Please contact the Student Administrative Services Office at 513-244-4418 if you are interested or need additional information.
