

GRAPHIC DESIGN

Graphic design students discover a wealth of opportunities to explore and develop their creative spirit. New technologies are emphasized without compromising foundations. Students develop skills and competencies in problem solving, multi-page design, information graphics, and brand strategies along with a proficiency in the latest industry software. They also progress through rigorous studio fundamentals such as design concepts, typography, and drawing.

BEYOND THE CLASSROOM

HANDS-ON EXPERIENCE

One of our hallmarks is working with charitable clients within the classroom, most notably non-profit organizations in Greater Cincinnati and beyond, whose missions align with the Mount's mission. Through research and visual translation in these projects, we gain an appreciation for diversity of cultures and beliefs as well as respect and concern for all persons.

GET INVOLVED WITH ART GUILD!

The Art Guild is an art making experience built on collaboration with community-based projects on and off campus. Students can earn an annual \$1,000 Renaissance Award. Please contact michaelann.kelley@msj.edu for more information.
